

He loves me (Gospel, Spiritual, ruhig, getragen – Klavier oder Orgel)

Refrain:

**He loves me
he loves me
he loves me
he loves me
it´s Jesus
who loves me so much**

if I choose the wrong way
and make so much stupid mistakes
it´s Jesus who loves me so much

if walls are around you
so no one can get through to you
it´s Jesus who loves you so much

Refrain:

**He loves me
he loves me
he loves me
he loves me
it´s Jesus
who loves me so much**

Bridge:

*so let´s join this choir
and follow your deepest desire
let´s all light the fire
and go to where the light´s even brighter*

come let´s pray to heaven
let´s sing it and tell it and shout it and spell it
it´s Jesus who loves us so much **(2mal)**

Zwischenspiel

come let´s pray to heaven
let´s sing it and tell it and shout it and spell it
it´s Jesus who loves us so much (2mal)
