

The walk – Folk, Singer-Songwriterstil, Klavier, Gitarre, Percussion, Chorus

these books and those things they´re not mine
these friends they´re not mine they´re not mine

Ref.:
the moment uncovered
is all that I´ve got
to be who I am without lies

these poems and these songs they´re not mine
your love it´s not mine it´s not mine

Ref.:
the moment uncovered
is all that I´ve got
I´ll give all to god and to life

Bridge:
so let go all you have
and take a deep breath
walk as far as you can
eternity is now not then

these thoughts they´re not mine they´re not mine
this body it´s not mine it´s not mine

Ref.:
the moment uncovered
is all that I´ve got
this soul - is it mine or god´ s smile?

Bridge:
so let go all you have
and take a deep breath
walk as far as you can
eternity is now not then

this soul - is it mine or god´ s smile?
