

# Gospel 2018

*Intro (Chorus, Orgel, Klavier)*

I once was lost  
but Jesus  
reached out his hand  
for me  
and this happiness I want to share with you  
and this happiness I want to share with you  
and Jesus  
send your holy ghost and rock my soul

*Chorus:  
rock my soul*

## **1. Strophe**

I once was lost in the darker side  
my life was not at all so bright  
I made a million - mistakes  
but Jesus took my sins away  
on the cross of calvary  
yeah Jesus - he died for me

## **2. Strophe**

now, I walk my way - with him at side  
and all my life is now so bright  
I tell everyone what he is done  
to our mighty god we belong  
I will always believe  
I think of him before I go to sleep

all happiness is found in him*

yeah Jesus - he died for me
